### **30 JANUARY: PLUTO IN CAPRICORN**

*In tonight's discussion, we'll be looking at Pluto in Capricorn and what it might mean for us all.*

### **27 FEBRUARY: UNDERSTANDING YOUR SOUL PURPOSE**

*We are delighted to welcome renowned astrologer **Judy Hall** to our group for this exciting talk. We brought many karmic credits and deficits into the present incarnation. The birth chart points these out and also shows our soul's purpose for our incarnation, which may be very different to what we think it to be. This talk will introduce us to these and help us to understand our life path.*

### **26 MARCH: LIFE AND LOVES OF A SHE-DEVIL: SOME BRIGHT LIGHT ON A DARK MOON**

*In tonight's talk, we're very pleased to have Cheltenham astrologer **Pamela Armstrong**, who will be exploring the archaic and ancient talents and talons of the Dark Moon Waldermath.*

### **30 APRIL: WRITTEN BY THE CHART: ASTROLOGY AND HANDWRITING**

*It's a great pleasure to introduce **Darrellyn Gunzburg** to Arcturus Rising tonight. Darrellyn is well known to most of us as the co-principal of Astrologos, and astrological author, although she is also an award-winning playwright and film maker. In tonight's talk, Darrellyn will be exploring our birth chart through our handwriting.*

### **28 MAY: FINDING YOUR VOCATION: CAREER IN THE CHART**

*Daily grind or glittering career? Tonight's discussion will look at career and vocation indicators in our chart.*
